C. 9328

The International Bureau of the World Intellectual Property Organization (WIPO) presents its compliments and has the honor to invite representatives of Members and Observers to attend the first *Artificial Intelligence Infrastructure Interchange (AIII): Annual Meeting 2026*, which will be held on November 11, 2026.

Artificial Intelligence Infrastructure Interchange (AIII): Annual Meeting 2026

Launched on March 17, 2026, the Artificial Intelligence Infrastructure Interchange (AIII, pronounced “A-triple-I”) is a WIPO initiative that facilitates global dialogue on the technical and operational aspects of the intellectual property system in the context of artificial intelligence.

The AIII: Annual Meeting 2026 will provide an opportunity to receive updates on the work of the Technical Exchange Network (TEN) – the global collection of technical experts that is meeting to discuss the technical and operational aspects of the intersection of IP and AI – and to provide input and feedback. Member States and Observers will have the opportunity during the event to engage with the work of the TEN through a series of presentations and panel discussions featuring members of the TEN providing direct updates and sharing progress on the initial deliverables.

The AIII: Annual Meeting 2026 will be held from **10:00 to 18:00 CET** in a hybrid format, at WIPO’s headquarters in Geneva, combining in-person participation with virtual access via Zoom and webcast. Interpretation in all six UN official languages will be provided (Arabic, Chinese, English, French, Russian and Spanish). The webcast will also be recorded and available for later viewing.

We also welcome participants to join the evening reception on November 10, 2026, which brings together participants from both the Global Forum on IP and AI and AIII: Annual Meeting. For more information about the Global Forum on IP and AI, see Circular 9327.

It would be appreciated if the name(s), title(s) and e-mail address(es) of the representative(s) who will attend the meeting could be communicated to the International Bureau of WIPO by October 26, 2026.

In order to register to attend please use WIPO Meet at:

https://meet.wipo.int/e/aiii

The secure code for registration is: H6R9V3K7M2

As WIPO is committed to promoting gender equality, it would be appreciated if parity could be taken into account when nominating the representatives.

Participating in the sharing session and interventions in AIII: Annual Meeting

The International Bureau would like to invite you to indicate in writing to aiii@wipo.int by October 26, 2026, any wish to make an intervention. Details and further information will be provided in due course.

The International Bureau will publish the provisional agenda on the WIPO webpage in due course. Meanwhile, to receive regular updates about the meeting and other WIPO activities in the field of IP and frontier technologies, you are invited to visit our website at https://www.wipo.int/aiiiam.

Any queries in relation to the meetings may be addressed to the International Bureau at: aiii@wipo.int.
